BAU 2015. Lecture of Christoph Ingenhoven

Date
21.01.2015

Links
Project: 1 Bligh, Sydney
Project: Marina One, Singapore

“The future of Construction” is the motto of this year’s fair BAU in Munich. Christoph Ingenhoven sees the construction of high-rise buildings as one of the key technologies of the 21st century and he presents two of his current major skyscrapers, 1 Bligh in Sydney and Marina One in Singapore, in a lecture.
