"Series of Visionaries. Christoph Ingenhoven.

SUPERGREEN. Positions on the future of construction. "

Tuesday, June 12, 2018, 7 pm

MAKK Museum of Applied Arts, Cologne

In the series "Vordenker", Christoph Ingenhoven will speak on

"SUPERGRÜN: Positions on the future of building".

How does sustainability really work? How can potential be gained locally? What about evaluation grids and regulations - and how can principles be obtained that will last beyond the day? These questions will be clarified on next Tuesday at the MAKK Museum of Applied Arts in Cologne.
